Response to 11/01/05 O.A.

Remarks

Applicant requests that the above application be amended with the additional cancellation of claims 1, 3 and 26. Further with the above cancellations, applicant requests the specification and claims are now in proper form and that the claims all define patentability over the prior art. Therefore, applicant requests that the application be placed in a condition for allowance, which action is respectfully solicited.

Yours Very Respectfully,
